

Adventure and Tranquility Await

Harbour Island
North Eleuthera
Bahamas

It's *Your* Valentine's Vacation. So Have It Your Way...

Sport Fishermen, divers, kayakers, and water sport enthusiasts can rent waverunners, kayaks, and dive equipment right from Valentine's. Bone fishing in the flats, deep sea fishing excursions and boat tours can be arranged right on-site. Valentines Dive Center offers scuba diving lessons and scuba diving excursions. All fishing sites in Eleuthera & Harbour Island are natural ecosystems that offer great bonefishing in the flats, reef fishing, and fishing the mangrove thickets and small bays throughout the area, as well as world-class deep-sea fishing with a charter or fishing guide.

Valentine's famed pink sand beach is an easy stroll for beach picnics or you can rent a golf cart for tooling around Harbour Island. Family themed nights are fun for all ages and occasionally there is an all-island party or event, such as Junkanoo. You don't want to miss those!
