1 Bay Street, Dunmore Town, Harbour Island, Bahamas

The waters around Harbour Island host some of the finest sport fishing in the world. Legendary catches of tuna, marlin, and wahoo draw anglers from around the globe. Valentine's marina was strategically positioned to be the jump off point for these renowned fishing grounds. Everyone who fishes these rich waters knows Valentine's Marina, whether they're in a 35' center console sport fishing boat or a 180' luxury yacht.

## The Valentine's Marina Experience

Valentine's state-of-the-art yacht marina amenities include free internet access at every slip, electric (30, 50, and 100 amps), fuel, unlimited fresh reverse osmosis water (throughout the resort), and cable hook up. And our friendly dock master is always available to get you piloted in or assist you with your marina needs. We monitor VHF channel 16 daily from 7:00 am - 7:00 pm.

Valentines Marina with the Atlantic Ocean on the east side of the island.
