

## **Valentines Residences Resort and Marina Offers New Travel Insurance Promotion For a “No Worries” Fall Vacation**

*Guests Booking a Stay During the Months of August, September and October Will Be Reimbursed for the Purchase of Travel Insurance*

**Harbour Island, The Bahamas – July 31, 2018** – Valentines Residences Resort and Marina is pleased to announce the launch of a new promotion, aimed at giving guests complete confidence and peace of mind when booking their stay at the resort during the months of August, September and October. To many, the warmer water temperatures and smaller crowds make late-summer and early-fall the ideal time to travel to the Caribbean, but others are apprehensive about taking a gamble with the weather. Beginning today, Valentines will cover the cost of travel insurance for hotel AND airfare for guests staying at the property during the months of August, September and October.

Guests interested in participating in this promotion must book with [Travel Allianz](#) using Agent Code F004073. Once the reservation is completed, guests must send the Reservations Team a copy of the Certificate of Insurance. That amount will then be deducted from the resort bill with a maximum of \$300 per reservation.

To take advantage of this offer, please email Beth Watson at Valentines on [Beth@valentinesresort.com](mailto:Beth@valentinesresort.com). Offer valid on direct bookings only.
