## Valentine's Residences Resort & Marina Attends Three Boat Shows in One Month

Harbour Island, North Eleuthera, Bahamas, January 13, 2015—Valentine's Residences Resort & Marina, the spectacular hotel-condo resort on Harbour Island in Eleuthera kicked off boat show season by attending the Stuart Boat Show, the Toronto International Boat Show, and will close-out the season at the Miami International Boat Show. Valentines highlights their 51-slip, full-service, sport fishing and yacht marina for vessels up to 180'. Marina amenities include free internet access, (30-, 50-, and 100-amp) electrical, fuel, unlimited reverse osmosis water, and cable hook up.

### STUART BOAT SHOW

The Stuart Boat Show is the Treasure Coast's largest boat show. It attracts upwards of 15,000 attendees who "live the marine and travel lifestyle" and showcases as many as 500 power boats, cruisers, and yachts. Valentine's met thousands of boaters at the event and gave away a one night stay with free dockage to one lucky guest.

### TORONTO INTERNATIONAL BOAT SHOW

North America's largest indoor boat show—The Toronto International Boat Show—boasts an expansive lineup of more than 200 seminars, the latest boating and fishing gear, and hundreds of boats and yachts. Because it's an eight day event, Valentine's spends quality time with each guest, introducing them to Valentine's Marina and the island lifestyle and authentic beauty of Harbour Island.

### GIVING A FREE STAY AT THE MIAMI INTERNATIONAL BOAT SHOW

More than 100,000 boaters and dreamers gather at the Miami International Boat Show to explore the best of boating, fishing, diving, and all manner of water sports. There's no better place to premiere new vessels, introduce new gear, or meet the right people to launch a new venture. Valentines will happily offer up details on the amazing waters around Valentine's or the spectacular fishing on the Atlantic-side or the west side of North Eleuthera. As with the Stuart Boat Show, Valentine's will be giving away a free one night stay with dockage to a guest that just visits their booth and registers to win. It could be you!
